Quote --- “success breeds success”

You may remember the quote above in the February Newsletter

[provided to me by the crewman Herb Sweetman]

After that edition was published Herb came straight back and asked

“Hi, I don’t know where the 2007 foiling cat bit came from. He

definitely didn’t”. [He’s 85 years]

My defence was “Yachts and Yachting Magazine, I assumed they knew

what they were talking about”.

Herb then pointed out “it was in the April 1st edition”

So --- APRIL FOOL – ME !
